DASHING 1.5T/1.6T

Powered by the future

Striking Exterior Design

Sharp looks translated into aerodynamic body styling and contemporary appearance. Sharp shoulder lines with 20-inch alloys for a finely-sculpted profile.

Athletic Proportions

4590×1900 mm body for a compact style with sharper lines and sleeker designs. 2720 mm wheelbase to ensure a stable ride on faster strides.

Contemporary Cabin

Sport-designed seat that surrounds the driver and passengers with superior-high-quality materials for comfortable seating and perfect driving position.

Effortless Drive

15.6-inch smart touchscreen to integrate all features in one clear and user-friendly interface.

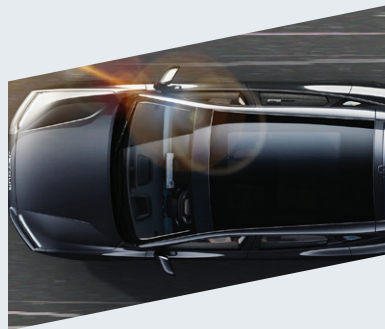

Adaptive Storage

Flat-folding 60/40 split rear seat that adapts to your cargo needs and improves practicality.

Panoramic Sunroof

A full panoramic roof gives the interior a feel of brightness and spaciousness and makes things spectacular.

Intelligent Safety

Smart technology to support user driving safety, including 360° panoramic parking assist system, AEBs, Lane Departure Warning System and Rear Side Collision Alert.

Trusted Warranty and Service Packages

Exceptional engine warranty of 10 years or 1 million kms, complemented by our dedicated JETOUR service centre.
